Meeting others
Stay safe - please follow the latest government guidance when meeting with others.
You can meet with up to six people (indoors or outdoors) who you don’t live or ‘bubble’ with.
There are some exceptions, including gathering for work or education purposes, weddings, funerals and organised sports.

Feeling unwell?
Coronavirus symptoms are:
• A high temperature
• A new, continuous cough
• A loss or change to your sense of smell or taste.
Anyone with these symptoms must self-isolate and get a test - apply online or call 119.

Face coverings
Face coverings are required in all shared indoor University spaces, including while moving through buildings and within teaching, learning and study environments.
Please remember, not everyone can wear a face covering – let’s be respectful of each other.
If you have a hidden disability that prevents you wearing a face covering you may choose to wear a sunflower badge that lets others know you are unable to do so.

Help reduce the risk
• Wash your hands often for 20 seconds
• Wear a face covering indoors
• Avoid touching your face with unwashed hands
• Stay 2 metres apart from others you don’t live with, where possible
• If you feel unwell, stay at home - do not attend lectures or work
• Cough or sneeze into your elbow or a tissue, then throw the tissue away
• Regularly clean objects and surfaces at home and work.

Feeling unwell?
Coronavirus symptoms are:
• A high temperature
• A new, continuous cough
• A loss or change to your sense of smell or taste.

Keeping each other safe
We’re doing all we can to keep you safe on campus, including:
• Enhanced cleaning
• Installing 563 Perspex screens
• 200+ disinfectant wipe dispensers
• Safety signage
• Social distancing measures
• Supplying reusable face coverings – please remember, not everyone can wear one
• Increased ventilation in many buildings
• Completing risk assessments.
For full information on what we’re doing, please read our Covid-19 health and safety policy.

Self-isolating: What to do
If you need to self-isolate, we can support you. Please:
• Fill out a self-isolation form (students only)
• Read our self-isolation support guide (students only)
• Follow government advice
• Staff should inform their line manager and HR contact.
If your symptoms worsen or are no better after seven days, contact NHS 111 online or call 111.

Staying safe at Surrey
As a community, we need to ensure all advice and guidance is being followed for the health and safety of ourselves and others. If you wish to report a breach of the Covid-19 rules, anonymously or with contact details, please use our Report + Support service:
